People are fascinating. They come in all shapes and in all sizes. Some are sad and some are happy. Some are pretty and some are plain. There are infinite varieties. For this reason, if for no other, no event ever be dull. You can witness a full two hours of football without a completed pass or a single run and still leave the stadium completely entranced. You can attend a dance that is seemingly no different than all the rest and come away with a new sense of awareness.

IN ALL SHAPES AND

What is a friend? A friend is someone you can just sort of relax and do nothing with or talk to confidentially about almost anything. A friend is someone who does many little acts of thoughtfulness for you. It's someone with whom you share your dearest possessions, as well as your taste for many of the same things. A friend is someone who dares to dream your dreams with you and remembers the special occasions in your life.

Spartans Rip 11 More, Tie State Win Streak

For the fourth straight season the gridders found themselves on top of the league and the three state polls. This year it was different; the squad got the chance to prove they were tops and did it. The team now holds the longest currently running winning streak. Paul Brown's Massillon Tigers is the only other team that has managed 38 straight.

As far as the NCC went, the football team went through almost unopposed. The defense allowed only 34 points and 880 yards the whole season, while the offense dashed for 226 points and 2,661 yards.

Junior standouts included quarterback Scott Ballinger who made NCC and Central District first teams, and Jamie Bright who received a second team district spot and Honorable Mention NCC.

Wrestling Catches on at PHS, 40 Join Team,

The 1972-73 wrestling squad took on some tough teams and came out on the short end of most matches. Jamie Bright was the team's most outstanding man. He took the sectional title, but fell at the district.

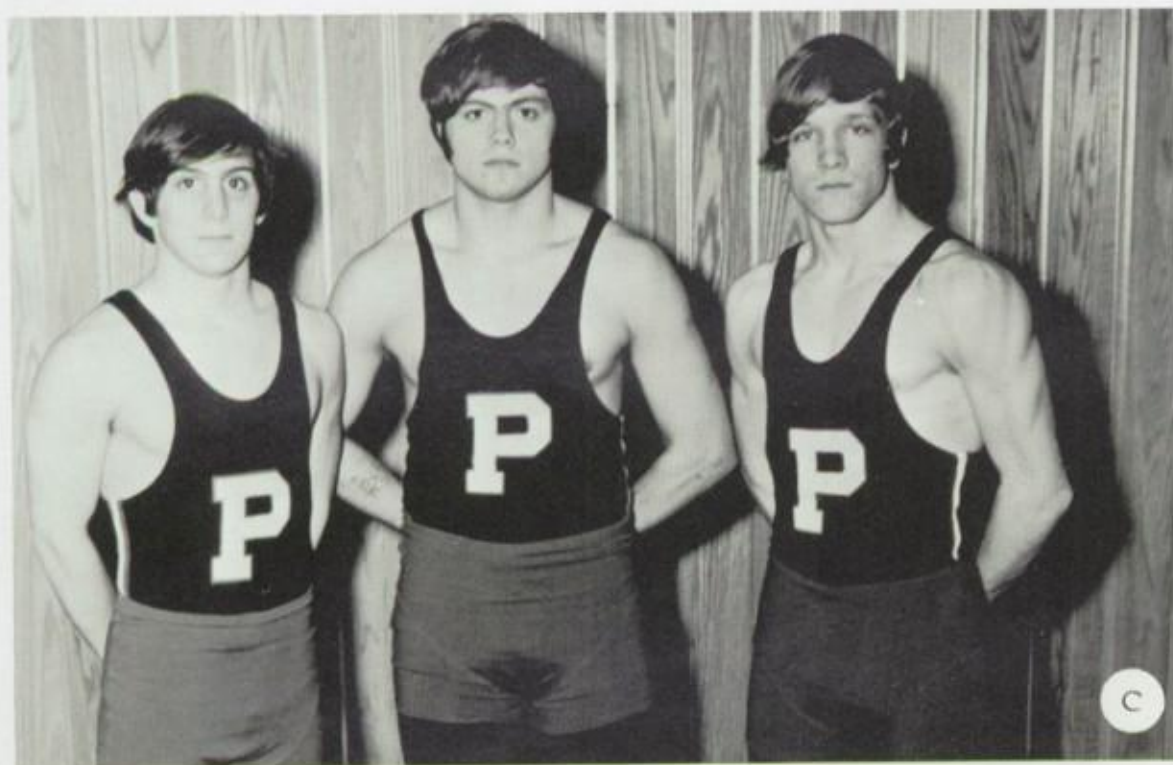

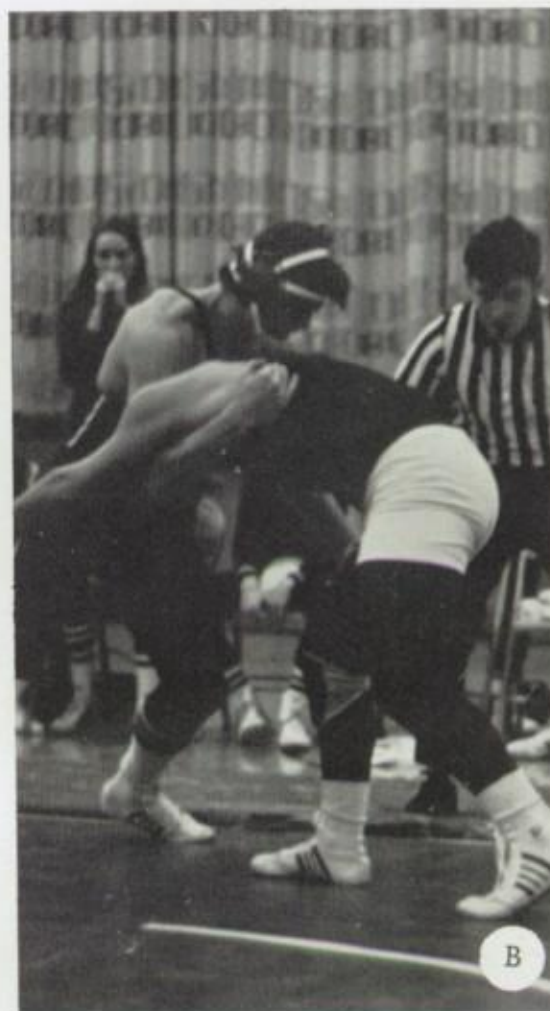

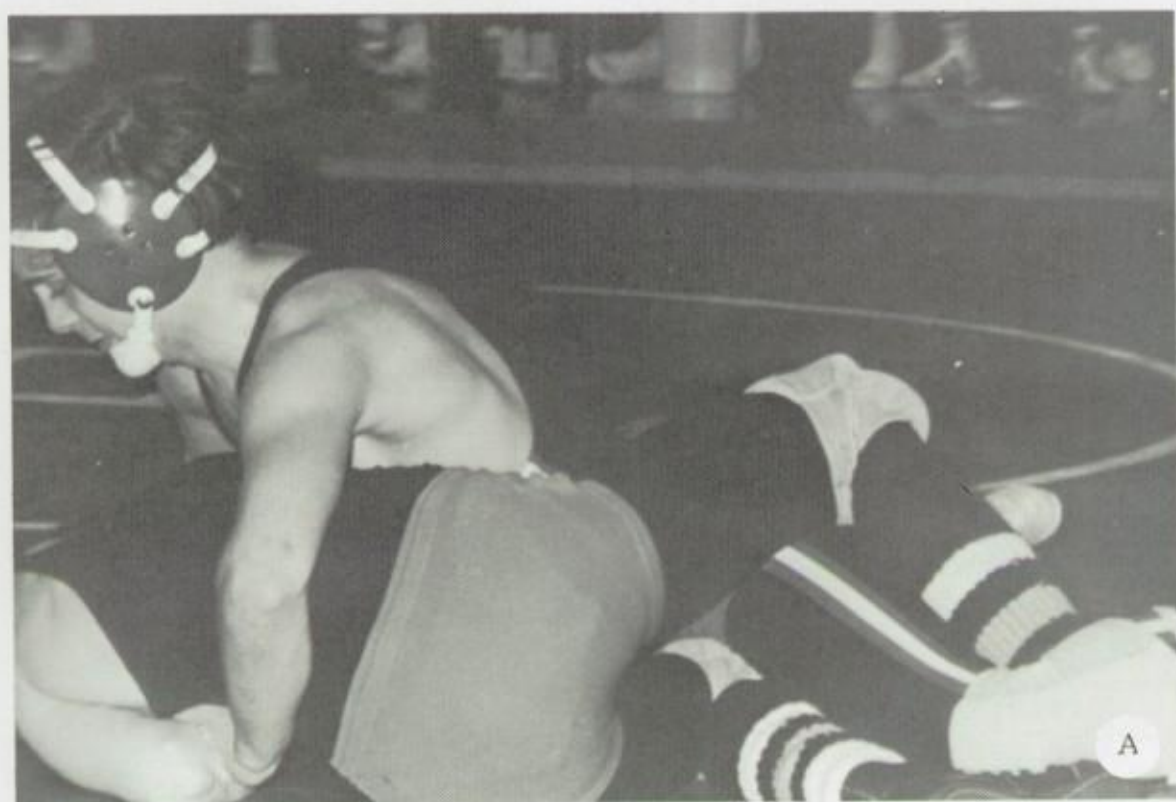

Mike Shriver and John Frye took the team's most improved honors, and Mark Shriver captured the rookie of the year award. Throughout the year, many fans turned out for the matches and wrestling is coming on strong at PHS.

A. Freshman Mark Shriver took control early in this match. B. Against North Union, Tim Michael pinned his man in 25 seconds.

Bright Captures Sectional Crown

A. One of the team's finest wrestlers was John Frye. B. Mark Shriver was a powerful force on the young team. C. Captains-John Frye, Jamie Bright, and Tim Burge. D. At the Harding Tourney Eric Kramer found the going a little rough.

Fetter all qualified and ran in the district meet. Fetter placed first for PHS with a time of 11:25. Justice was next at 12:03, and Lill finished with a 12:33. At the sectional meet the team placed fifth.

Spartan Five Take Third Straight NCC Title

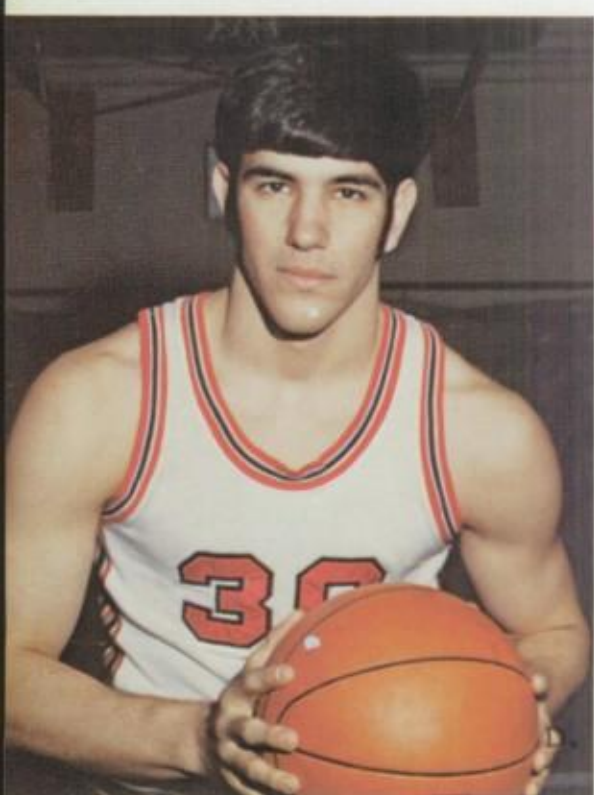

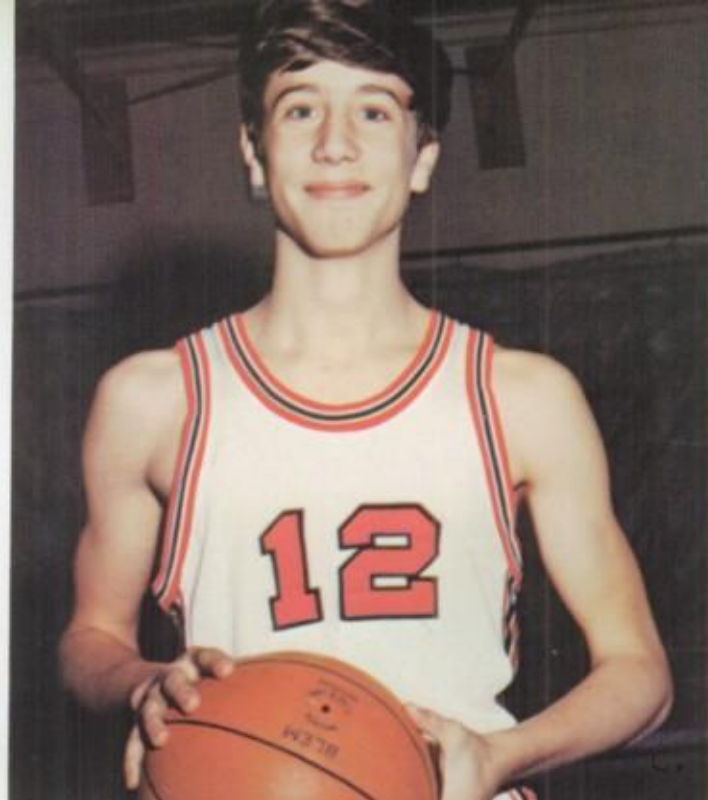

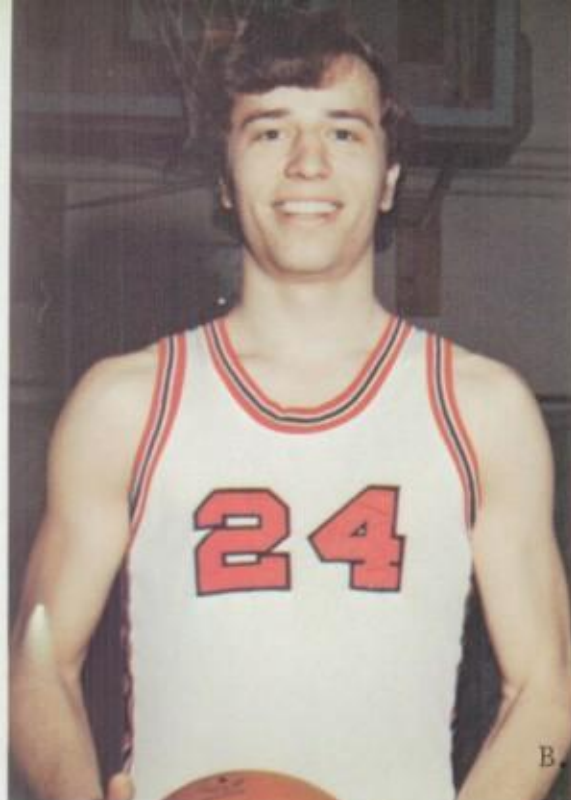

The PHS basketball team sprinted past 26 opponents and claimed the state title. The squad also captured its third straight NCC title. One of the most outstanding qualities of the team was total team work.

Terry King led the team in field goal percentage and foul shooting percentage. Dave Mauk shot 50% from the field and Scott Ballinger shot 85% from the foul line. Larry Fink led the team in shooting with a 52%.

A. Selected to the all state squad was Terry King. B. Denny Shroats came in hot off the bench in many games. C. Scott Ballinger was named to the NCC team. D. Another NCC team member was Dave Mauk. E. Aster scoring 16 points in the final game, Max Midlam was named to the all tourney team.

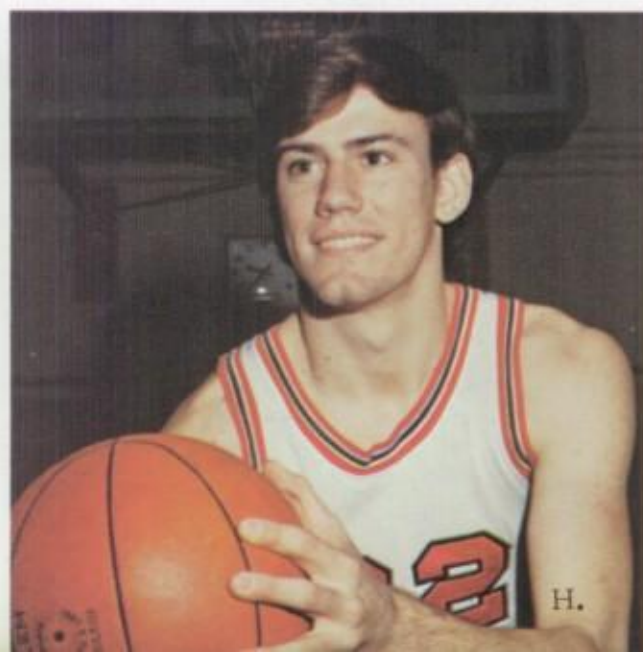

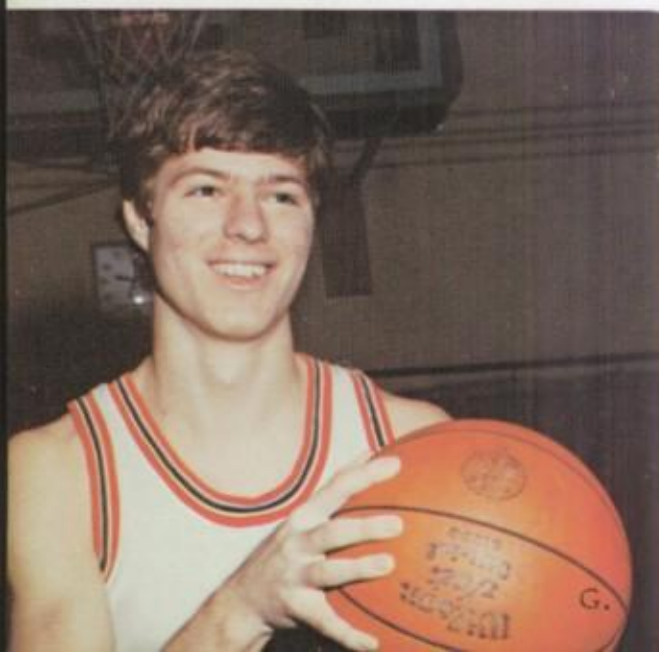

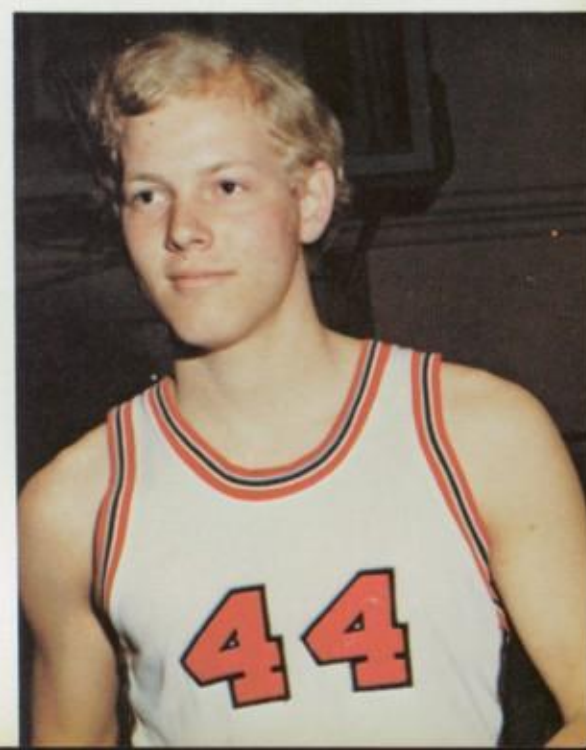

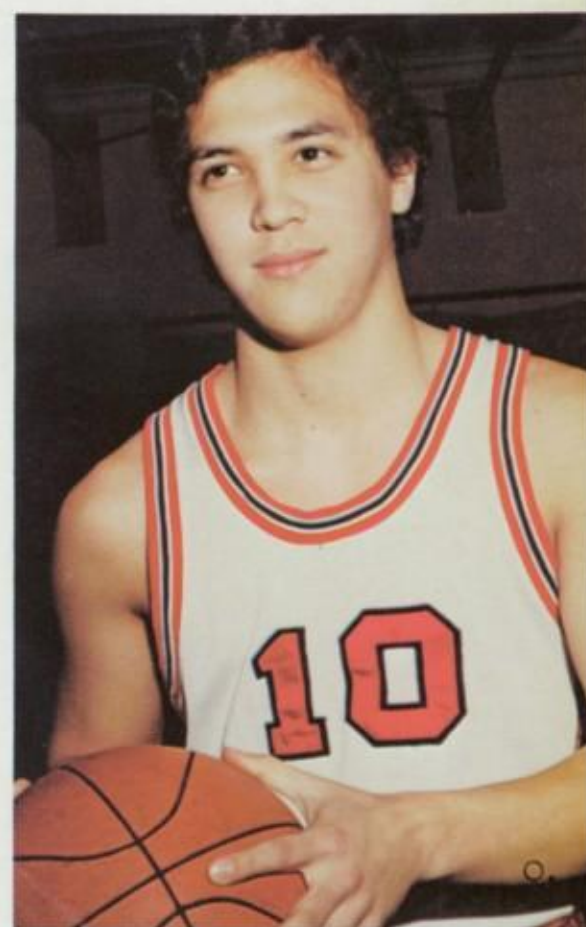

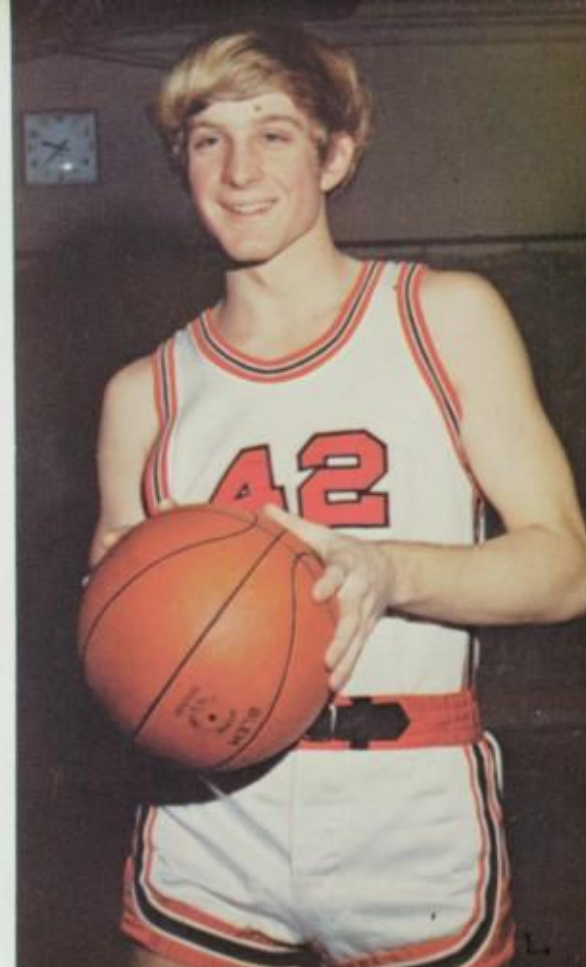

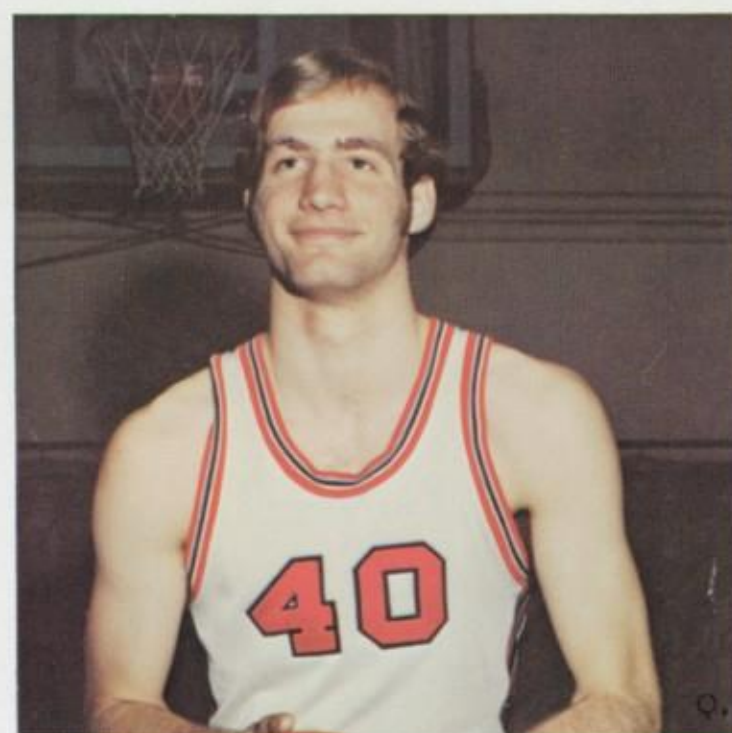

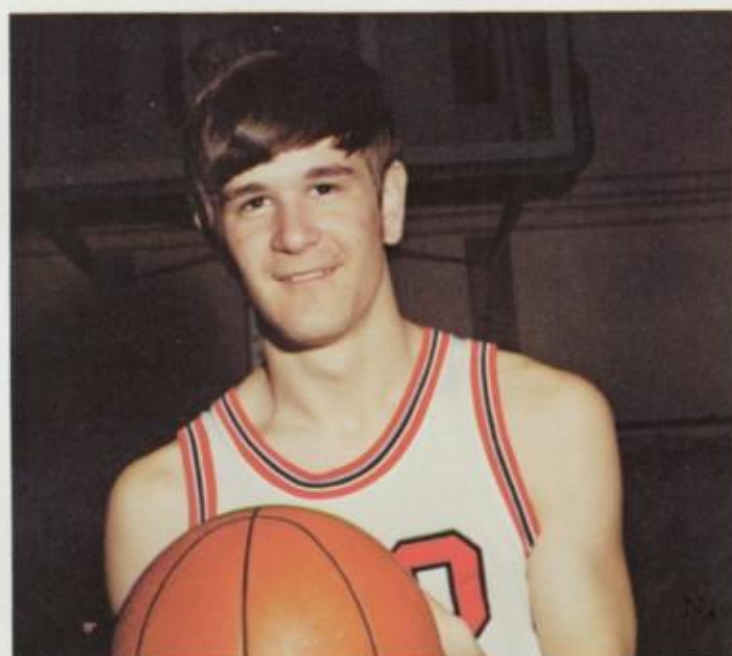

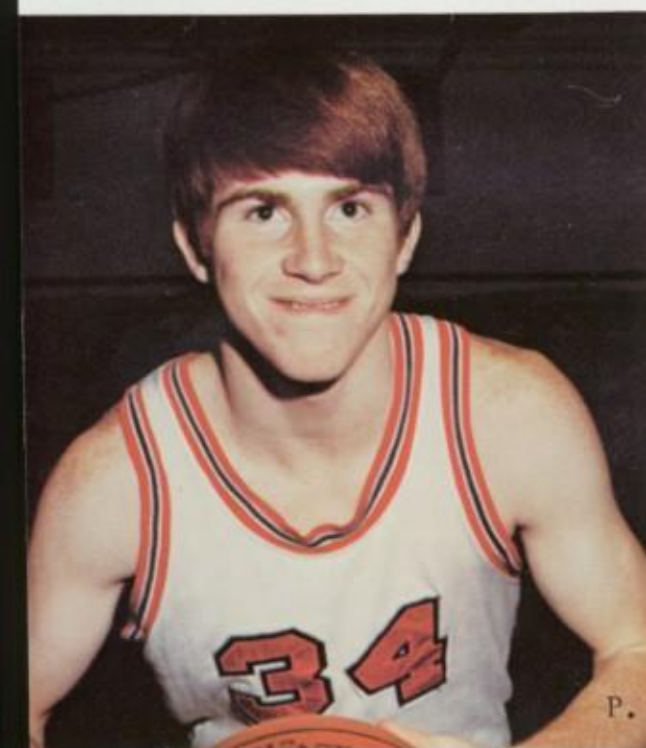

Franklin Monroe Downed in 75 to 72 Thriller

All victories aren't easily won, and the Spartans know that better than anyone. After riding in the bus for 4 hours, the team arrived at the Dayton Arena. Ballinger and

King were both ill and they both fouled out. While these two sat out, the team went to work and came from behind to take the win and on to State play.

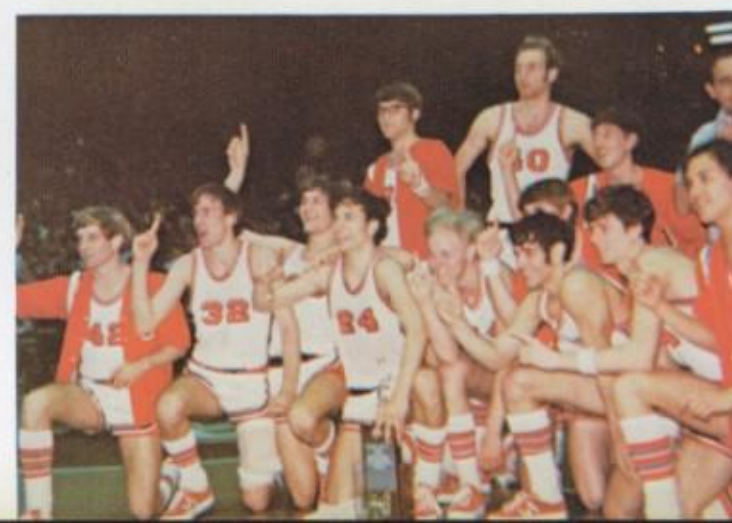

The two photos of the regional final game were taken by Sandy Fetter. The sports section wishes to give Sandy a special thank you.

Fink, Ballinger Aid Spartan Five

Although five seniors were on the squad, the underclassmen were well represented. Juniors Larry Fink and Scott Ballinger started most games. Scott was a double threat, as he could drive and shoot from the outside equally well.

Larry, on the other hand, was one of the team's strongest rebounding threats. Both will add much to next year's squad. Of the five seniors on the squad, four saw action in the state final game of '71. These four have a three year record of 67-7.

A. Mr. Kirby led the squad through many hard fought games and into the state.

B. Cheerleaders, coaches, and players became a mass of confusion after the district title was won.

C. As both squads wait for the ball to drop, the score board clearly shows that Pleasant has just about broken IVS' 53 game winning streak.

D. One of the team's most valuable performers, Dave Mauk's shown here working around one of Elgin's starters.

E. Over the last three seasons, the team compiled a 67-7 record and won the '73 state title.

The Spartan band, color guard, and majorettes had as big a year as the Spartan grid team. Students Learn in Musical Harmony

Many harmonious notes could be heard coming from the music room as the concert band and chorus were practicing for various concerts and school assemblies.

Many students also were practicing for state competition, many of whom received excellent or superior ratings.

1937 Comedy Is a Real Winner in 1973

The Pulitzer Prize winning comedy of 1937 was "You Can't Take It With You" by Moss Hart and George S. Kaufman. On April 13 and 14, 1973, Curtain Call performed it in the round.

The play, under the direction of Mrs. Marion Gemmill and Student Director Martha Gimbut, is the story of the Sycamore family who finds time to enjoy life to the fullest.

The time and hard work put in not only by the cast, but also by all the committee members, was highlighted by a cast party after the final performance.

Spartan Spirit Shines on Stage

This year saw the resumption of the talent show. Cancelled last year for lack of interest; the talent show was apparently missed as nearly 30 acts signed up for this years extravaganza.

Awards were given this year in

two categories, musical and comical. The winning musical act was a rock group called UHH. Second place went to sopomore Carolyn Scott, who sang an impressive vocal solo. In the comedy area, Grannies A-Go-Go, the senior girls chorus line, took

first with The Injury taking second. The talent show was presented on Friday, the 27th, and Saturday the 28th of April. It was sponsored by the student council, which also provided refreshments.

Intramurals Initiate Individuality, Insight

This year the intramural play at Pleasant was even more exciting with a record number of students participating. Both boys and girls activities brought out a great cross section of the student body. This year there were eight championships, four and four. Nearly all of the students in the school participated in various intramurals, which ranged from ping pong

to volleyball.

For boys there were volleyball, ping pong, football and basketball. Girls had ping pong, volleyball, deck-tennis, and volley tennis. The intramural system was set up and is ran by Mr. Gucker and Miss Borland. These two pages hold a few moments of some of the fun.

A. Max Midlam hits over a point in the championship volleyball game. Other winning members were Mark Boyd, Larry Cheetham, Bruce Harrison, Harrison, George Gehring, Mike Wallace, Ned Saums, Tim Acker, and Steve Curren.

Dances, Sophomore Games Give Students Enjoyment

The annual sophomore vs. faculty games were held again this year with the faculty once again winning. The women faculty handily defeated the girls in two games of volleyball, but the men had a tougher time defeating the boys by a slim margin.

There were also several dances this year with the GAA sponsoring most of them. They were met with great approval and enthusiasm. The dances had live music and the students wore jeans.

Enthusiastic Juniors Add Their Success

"As opposed to seniors" is the dictionary's definition of a junior, but the junior class spent many long hours presenting homecoming and the junior-senior prom. Success with their "victory hat" sale filled

St. John's with extra spirit and enthusiasm. Always the loudest giving their "battle cry", the juniors were a part of Pleasant's winning tradition.

Sophomores Make Gains Toward Future Goals

The term "sophomore" is derived from the Greek words meaning "wise" and "foolish." The Class of '75, however, carries an accent on the former.

A very active class, the sophomores sponsored many money-mak-

ing projects, including the sophomore-faculty basketball game, coat check, cake raffle, and a commemorative banner sale.

The sophomores are ahead, following a winning tradition.

Freshmen Lay Foundation for Future Success

The dictionary's definition for "freshman" is "a novice", but they made a fine beginning for their high school years. A stationary sale was perhaps their greatest source of revenue for the year, and a good start was made toward their financial goals.

The Class of '76 is proving itself as hardworking and determined, to continue the Pleasant tradition they've inherited.
